## The Manor

The Manor, a 13<sup>th</sup>-Century Manor House, is the perfect **exclusive** Christmas party event venue for Corporate Hospitality, Christmas Dinners, festive events and New Year celebrations in the south-west of England. Ideally situated near Taunton on the Somerset/Devon border, The Manor has excellent motorway and rail connections.

The Manor is fully decorated for the season and a large, decorated traditional Christmas tree has pride of place - all you need do is add your presents and pull crackers by the roaring fires, whilst sipping some nice wines!

You and your corporate - or family - guests can dine in luxurious style, if you chose a fully catered stay. Or you can make this your own special event, by hiring the Manor on a self-catering basis.

We offer fully flexible, private and bespoke stays - tailored to your exact requirements...

*...and we also accommodate weddings, private parties, residential stays and corporate events throughout the year – check out the website for fuller information!*

**So amazing, so tasteful, so unbelievably comfortable and the hosts – superb!**
